*Interest rates are calculated on a reducing balance basis per annum, Interest rate schedule is effective from 5th May 2025.

** Average interest rate: It is the 'weighted average interest rate' calculated for the loans disbursed in the last quarter. The loan amounts are used as the weights. The weighted average is arrived at by taking the sum of each loan's interest rate multiplied by the loan amount and then dividing this sum by the total loan amount disbursed. The average interest rate reported for the last quarter.

*** Average Processing Fee (% of the loan) is calculated as value of total processing fee collected across all microfinance loans disbursed in the quarter divided by the total value of microfinance loans disbursed in the quarter. The average processing fees reported for the last quarter.
